Reasons you wish to serve on the Committee:

I would like to serve on the Trails Committee to give back to this beautiful area and be a voice for other trail users. CPRD District and its many parks and trails are a huge asset for the community, and I believe an important part of what defines this area: enjoyment and appreciation of the outdoors, and thoughtful preservation and stewardship of the remaining open spaces and trails today. I am a person that can bring diverse groups of people together towards a common goal and encourage purposeful, constructive action. My experience leading and managing large teams, before my recent retirement from the corporate world, I believe will also be useful to help the Committee prioritize and ensure we have all voices represented as we bring recommendations to the CPRD Board.

Other Community Involvement:

We moved to this area about four years ago. My husband is a graduate of the University of Oregon, and we wished to return to this area to be able to enjoy the outdoors and live the PNW lifestyle in retirement. My husband and I enjoy hiking the trails in the area with our dogs, my husband has a boat and enjoys the rivers and I enjoy exploring all of Oregon from horseback. Before moving to the area, I was consistently involved in my children's school activities and parent groups as well as always being involved with animal rescue. My current involvement includes:

- Board Member: Crystal Rilee Park Equestrians, Newberg OR
- Finance Committee Member: Sound Equine Options, Gresham, OR
- Volunteer and Supporter: Newberg Animal Shelter, Newberg, OR
- Board Member: Copper's Dream Animal Rescue, San Francisco Bay Area, CA
