CPRD CLUBHOUSE ADVISORY COMMITTEE
CHEHALEM ADMINISTRATION OFFICE
125 S. ELLIOTT ROAD NEWBERG, OREGON
September 16, 2024 at 5:30 PM

Mission Statement: The Golf Clubhouse Advisory Committee (The Committee) for the Chehalem Park and Recreation District (CPRD) is committed to gathering comprehensive information to help plan and build a new golf clubhouse. The current clubhouse at Chehalem Glenn Golf Course is showing signs of deterioration and there are plans to add a third nine holes which would create significant logistical problems with the existing facilities. The Committee is committed to engaging with community members, stakeholders, and experts to ensure the new clubhouse meets the needs and expectations of all users.

The Committee’s goal is to provide well-researched recommendations that reflect the community’s vision for a state-of-the-art facility, promote inclusivity, and support the long-term sustainability of the Chehalem Glenn Golf Course. Through transparent and collaborative efforts, The Committee aims to create a welcoming and functional space that fosters community engagement and enjoyment for years.
